Your Club In Action

From Joe VE3VGJ and Steve VA3SPZ

Paul's Dirty Enduro

Laird VE3LKS at Net Control with Race Official tracking riders on the course.

Larry VA3FHG with South Food Zone Race Coordinator

It's a great way to spend the day.....

CIBC Run for the Cure

On the course

Or at Net Control with Ralph VE3CRK, Luis VA3TCL and Ken VE3RMK

This year saw 4256 participants, supported by over 300 volunteers. The post-race announcement was that \$364,398.00 dollars was raised as of the end of the event.

Changes at RAC

From Luis VA3TCL

RAC Bulletin 2009-035E - New Executive Announced.

2009-11-03

During a RAC Board of Directors' teleconference meeting held by the Nomination Committee Chair Bj Madsen, VE5FX, on October 29th, 2009, the following new members of the Executive were elected:

- Geoff Bawden, VE4BAW - President
- Paul Burggraaf, VO1PRB - Secretary
- Margaret Tidman, VA3VXN - Treasurer

These individuals will assume their respective responsibilities on January 1, 2010.

Subsequent to the October 29th meeting, the following Directors and Officers submitted their resignations:

- Bob Cooke, VE3DBD (former President) - effective October 31, 2009
- Geoff Smith, VA3GS (former Ontario South Director) - effective November 1, 2009
- Noë Marcil, VE2BR (former Quebec Director) - effective November 1st, 2009

The remaining positions on the executive will be unchanged as the current officers were acclaimed.

First Vice-President Ian MacFarquhar, VE9IM, pursuant to the RAC By-laws, will assume the duties of President until December 31st, 2009.

The Board and Executive extend their most sincere thanks to Geoff and Noë for their past service to RAC and wish them all the very best in their future endeavours.

The Board also extends its thanks to Bob Cooke for the time he has devoted to RAC as a past Director, Past Vice-President of Field Services and as President during rather challenging times. Bob's involvement with RAC began in the early 1990s as an Assistant Director. He was elected as Ontario South Director in 2001 and served in that capacity until January 2005. Bob was subsequently elected as Vice President, Field Services in January 2006 and served in that role until February 2009 when he was asked by the Board to assume the responsibilities of President of RAC. The dedication and commitment of volunteers like Bob, Geoff, Noë, and many others, result in Canadian Amateurs having a voice which is heard locally, provincially, nationally and internationally, and they are to be congratulated for their outstanding contributions.

G. Linda Friars, VE9GLF

Corporate Secretary - Radio Amateurs of Canada

+++++

On the page below find the club-wear t-shirt order form. Some of you got to see the artwork at the Club Barbeque. The feedback was positive. Now we're all set to go. If you would like to order a t-shirt or 2, print the form fill it in and make your cheque out to the North Shore Amateur Radio Club Inc. The company we've got providing the t-shirt / logo / callsign reworked our Club logo to smooth out the curves so we can scale it up or down much more easily. We'll try to have forms at the upcoming meetings so everyone who wants to sign up has the opportunity.

The cooler weather will soon arrive. The memories of warmer fall days will live forever. Hopefully the few pictures provided here will bring a smile and a feeling of satisfaction knowing we've helped in our community. We have a lot of reasons to be proud of our club and work that much harder to make sure that the tradition of service continues.

As we wait for the snow to fall, work safely as you finish off those last few antenna projects.

Your humble scribe,

Ken

VE3RMK

Season's Greetings

The entire Durham Radio family would like to take this time to thank all of our customers for your continued patronage and support. Established in 1993, Durham Radio remains a favorite amongst consumers looking for mainstream products and affordable alternates. With input and feedback from our loyal customers we've added hundreds of new items in 2009 and plan on adding hundreds of innovative and exciting products in the coming years. From our family to yours, we would like to take this opportunity to wish you and your loved ones all the best for the holiday season and send our warm wishes for a safe and healthy 2010.
